Detective Agency in Chennai – Confidential Private Investigation Services

Spartan Detective Agency | www.spartandetective.in | Chennai, Tamil Nadu, India

About Spartan Detective Agency

Spartan Detective Agency is a Government of India registered private investigation firm and a leading Detective Agency in Chennai, serving individuals, families, law firms and corporates across Tamil Nadu. The agency is led by former police and CBI officers and supported by a team of 50+ trained investigators. Every assignment is handled with strict confidentiality, and all findings are documented as court-admissible evidence with photographic, video and written reports.

The agency holds memberships with APDI (Association of Private Detectives of India) and TAPDI (Tamil Nadu Association of Private Detectives & Investigators), and operates from Chennai with case coverage extending to Madurai, Coimbatore, Bangalore and pan-India through a verified field network.

Investigation Services Offered

- **Pre & Post Matrimonial Investigation** – background, character, financial status and family verification before or after marriage.
- **Loyalty Test & Surveillance** – discreet monitoring of a spouse or partner with photo and video evidence.
- **Personal Background Check** – identity, education, employment, criminal record and address verification.
- **Corporate Investigation** – employee verification, internal fraud, asset tracing, due diligence and competitor intelligence.
- **Missing Person Tracing** – locating missing family members, absconding persons and skip tracing.
- **Child Custody & Divorce Case Support** – evidence gathering for family court proceedings.
- **Cyber & Mobile Investigation** – online fraud, harassment, fake profile and digital evidence tracking.
- **Property & Land Verification** – ownership, encumbrance and legal document verification in Chennai and Tamil Nadu.

Why Choose Us

- Government registered agency with verified credentials and a physical Chennai office.
- Ex-police and CBI officers heading each investigation vertical.
- 100% confidentiality — client identity is never disclosed at any stage.
- Court-admissible reports accepted in family, civil and criminal proceedings.
- Transparent, fixed pricing with no hidden charges and free initial consultation.
- Female investigators available for sensitive matrimonial and personal cases.

How the Investigation Process Works

- **Step 1 – Free Consultation:** Share your concern over phone, WhatsApp or in person. All discussions are confidential.
- **Step 2 – Case Assessment:** The team defines the scope, timeline and cost of the investigation.
- **Step 3 – Field Investigation:** Trained investigators carry out surveillance and evidence collection discreetly.
- **Step 4 – Reporting:** A detailed report with photo, video and written evidence is handed over securely.
